## The Mattress Making Sleep Pleasant

Full orthopedic Cardiff mattress allows you to start the day rested thanks to its special comfort layers that support specific body weight. While it offers an extra soft sleep surface with its knitted fabric on the top layer, it protects your sleep hygiene thanks to its wipeable feature. The anti slip fabric on the bottom layer stabilizes your mattress and supports your deep sleep.

Comfort Pocket Spring technology, each of which can move independently, provides customized ergonomics and spinal support.
